OPENING PRAYER

The meeting was called to order at 09:50 hours and the opening prayer was given by the Vice Chairperson at 09:51 hours.

SELF INTRODUCTIONS

Self-introductions were given by members who were present during the meeting.

CDF/01/01/02/2023: OPENING REMARKS

The opening remarks were given by the Constituency Development Fund Committee (CDF) Chairperson. The Chairperson thanked everyone for coming and encouraged the members present to work diligently.

CDF/02/01/02/2023 PRESENTATION ON BOQs BY ENGINEERING DEPARTMENT / APPROVAL OF VARIATIONS

The Director of engineering Services gave a brief presentation on the BOQs for the Disaster Management Projects within the district so that the committee could recommend the variations for approval and make submissions to the Ministry for approval.

The Chairperson made mention that the committee will wait for the presentation from the Director of Finance before making any recommendations and the reason he gave was that the committed needed to be given a current status of the finances in order to have a clear understanding to make the right decisions and thus recommend for approval

Please find attached a report on the same

Below is a summary of the presentation:

1. Masamba Secondary School - K206, 666.54
2. Mbala Boarding Secondary School – K828, 877.50
3. Mwambala Primary School – K1, 266, 559.66
4. Drainage Works at Mbulu – K823, 130.00
5. Genset for General Hospital – K50, 100.00

Grand Total – K3, 175, 333.70

CDF/03/01/02/2023 UPDATE FROM FINANCE DEPARMENT ON EXPENDITURE AND BALANCE (2020-2023)

The Director of Finance gave an update on the 2022 CDF expenditure and balances. Please find attached a report on the same.

Once he was done giving his presentation, he made mention that the Town Clerks threshold to redirect funds from one account to another was 25% and that anything above that, the committee needed to seek approval from the Ministry.

The 25% amounted to **K1, 032, 729.40** and making reference to the BOQs presented by the Director of Engineering, it was agreed to redirect the funds from Bursaries Component towards the Disaster Management Component specifically to Mbala Boarding Secondary School which was at **K828, 877.50**

It was **proposed** by Area Councillor for Mwambezi and **seconded** by Area Councillor for Mwamba Ward.

There was another **proposal** made by Mr. Sikaumbwe, community representative and vice chairperson to channel remaining funds (K800, 000) from 2022 CDF to pay for Bursaries under the 2023 CDF and this was **seconded** by Mr. Sikazwe, community representative

It was then made mention by one of the members of the committee to receive an update for the period 2020-2022 from Director of Finance in the next meeting that will be called for.

COMMUNITY PROJECTS

The community projects were strictly desk appraised in line with the Five Year Ward Development Plan submissions made by the Ward Development Committees from each respective ward. The projects listed below are applications that were received from the various wards.

Due to the large number of projects that were received, Secretariat was advised to contact the WDCS from each ward and request them to select a maximum of three (3) projects from what they submitted in order to allow for the Technical appraisal committee to be able to conduct their field appraisals within the short period of time that they had and then make submissions to the CDFC committee who then will make onward submissions to the Province for approval.

CLOSING REMARKS

The Chairperson thanked everybody for their attendance during all three days of the desk appraisal and encouraged the committee to keep up with the same spirit of making such sacrifices in order to see to it that they perform their duties as a committee towards the development of the district.

He then requested for the Secretariat to prepare for a meeting in the next two weeks whose agenda would be to receive updates from Engineering Department, Finance department, procurement and Planning department so as to update the house on the various matters that concerned he committee in regards to CDF.

CLOSING PRAYER

The meeting came to a close at 15:30 hours and a prayer was given.
