THIRD QUARTER REPORT

Members of this committee may I wish to inform you that the Ministry of Fisheries and Livestock has three main technical departments namely; Veterinary services (DVS), Livestock Development (DLD) and Fisheries (DoF).

I. **Department of Veterinary Services**

Main activities under DVS

- **Disease control**
- **Extension services**
- **Public health and disease surveillance**

I would like to inform members of this August house that the major activities implemented under disease control included; vaccinations of cattle against Foot and Mouth Disease (FMD) and Contagious Bovine Pleuropneumonia (CBPP), Zonal branding, poultry vaccinations against Newcastle disease and Tick-borne disease prevention via dipping.

S/N	AREA	ACTIVITY	TARGET	OUTPUT
01	All camps except Central Camp	FMD Vaccinations	15, 000	14, 558
02	All camps except Central Camp	CBPP Vaccination	15, 000	14, 092
03	All camps	Zonal branding	1995	782
04	All camps	Newcastle disease vaccination	7500	7686
05	All camps	TBD control through dipping	6500	3948

(FOR THE INFORMATION OF THE COMMITTEE)

Members of this house the major activities under extension services included training programmes;

S/N	AREA	ACTIVITY	TARGET	OUTPUT
01	All camps	Framer training programmes in **disease control activities**	72	108

(FOR THE INFORMATION OF THE COMMITTEE)

Furthermore, the main activities conducted under public health and surveillance included meat inspection and rabies vaccinations.

S/N	AREA	ACTIVITY	TARGET	OUTPUT
01	All camps	Meat Inspection (surveillance)	126	59
02	All camps	Rabies vaccination	630	178

(FOR THE INFORMATION OF THE COMMITTEE)

II. Department of Livestock Development

Main activities under DLD

- **Extension services**
- **Managerial practices**

I would like to inform members of this August house that the major activities implemented under managerial practices included; dipping, deworming, castrations, and under extension services included farmer trainings in livestock production, nutrition and pasture management.

S/N	AREA	ACTIVITY	TARGET	OUTPUT
01	All camps	Pasture and range management	450	310
02	All camps	Production and feed utilisation	1020	535
03	All camps	Managerial practices	12000	8023
04	All camps	Livestock production farmer trainings	350	198
05	All camps	Establishment of new rangelands	25	11

(FOR THE INFORMATION OF THE COMMITTEE)

III. Department of Fisheries

Members of this committee, may I wish to inform the committee that the following are the main activities implemented under the DOF; **Sensitization in pond management and trainings in fingerlings production.**

S/N	AREA	ACTIVITY	TARGET	OUTPUT
01	Mbala central and Kawimbe	Fingerling production	40,000	29, 742
02	Mbala central and Mwamba	Sensitization of fish farmers in better pond management practices	9	6
03	Kawimbe & Mbala Central	Trainings of hatchery operators in fish seed production	6	3
04	Kawimbe & Mbala Central	Monitoring of hatchery operators in fish feed production	3	2

(FOR THE INFORMATION OF THE COMMITTEE)
